2026 WEDDINGS

THE EXPERIENCE

Evolving from the classic social club and updated to reflect the vibrant times we live in, MWL is a place to gather and celebrate. Animated by the thrum of conversation, the clink of swirling ice, and the rumble of ladders across the wood floors, the Library is as much a feeling as a place. A great experience isn't made up just of one element; it's one that is shared with old friends and new, in a beautiful space, and overseen by inspired people. Every detail—from our custom cocktails to our chef driven menus—is designed to create an experience as unique as the couples we serve.
